

JOIN OUR EMERGENCY OR HOSPITAL MEDICINE ADMINISTRATIVE FELLOWSHIP

JULY 2025 - JUNE 2027

Join Core Clinical Partners in a two-year fellowship designed to integrate clinical practice with leadership development and operational experience. This unique opportunity offers hands-on learning and growth in Emergency or Hospital Medicine with key leadership training and education, while earning a Masters in Business Administration (MBA).

DISCOVER THE CORE DIFFERENCE

At Core Clinical Partners, we're redefining healthcare partnerships. As a physician-founded, owned, and led physician services company, we offer the personalized care of a medical group with the support and resources of a national company—while staying debt-free, allowing us to stay true to our mission: Compassionate care through true partnership.

Your expertise is valued, your voice is heard, and your impact is real. Together, we're not just providing care—we're redefining it.

A FELLOWSHIP FIT FOR YOU

Accelerate your career with our Administrative Fellowship. Earn your MBA while gaining real-world, hands-on experience in either Emergency or Hospital Medicine. As a fellow, you'll hone your clinical skills, take on administrative duties, and access top leadership education and training. Join and position yourself at the forefront of healthcare leadership.

OPPORTUNITY HIGHLIGHTS:

- Earn your MBA while simultaneously gaining valuable clinical and leadership experience
- Engage actively in site leadership as an Associate Director in your final six months
- Participation in Core's Clinical Leadership Team meetings, Journal Club, and annual meetings
- Experience diverse clinical environments across multiple healthcare sites or settle into one for deeper immersion

PROGRAM OVERVIEW

Associate Directorship

- The final six months of the program will focus on leadership practice in the role of Associate Director
- Work alongside a Medical Director to support the team in performance improvement and people development

Earn Your MBA

- Complete an executive MBA in 12 months while continuing to practice
- Have the support of Core's leadership team through your studies

Meaningful Experience

- Conference attendance to Core Leadership conferences, ACHE, ACEP, and/or SHM
- Access to experts in all aspects of clinician services
- Tailored education and mentorship
